

Strengthening Families April Community Events

#ThumbsUp4IdahoKids

Thumbs Up For Idaho Kids is one small step to show your support for happy, healthy childhoods and be an advocate for children around the state.

Paint your thumb nail blue, take, and send your picture to melanie@stvincentdepaulcda.org and post a picture on Facebook, Instagram, or Twitter to help start the conversation about how to make #greatchildhoods possible for all children. Challenge your friends and colleagues to do it too!
